[DISPLAY THIS NOTICE WHERE THE CLIENT USES AN AI CHATBOT]

PRIVACY COLLECTION NOTICE

This Privacy Collection Notice describes how Pulsebuild Pty Ltd (ABN 64 694 426 483) (**we, us or our**) collects and handles your personal information when you use or otherwise interact with any artificial intelligence chatbot provided on our website (**AI Chatbot**).

We collect personal information from you and may process your personal information through the AI Chatbot to provide our services, to assist with customer support and queries, to analyse and improve our customer service interactions, to personalise your experience with our services experience, and for related purposes set out in our Privacy Policy, available on our website (or on request).

The personal information you input to the AI Chatbot may then be used to train the service provider's AI Technology model based on that information.

The personal information you input to the AI Chatbot will not be used to train the AI model.

We may disclose this personal information to IT service providers, our personnel, related entities, and as otherwise set out in our Privacy Policy. The AI Chatbot may generate or infer information about you, which we treat as personal information.

We store personal information in Australia. Where we disclose your personal information to third parties, those third parties may store, transfer or access personal information outside of Australia.

Please see our Privacy Policy for more information about how we collect, store, use and disclose your personal information.

If you have questions about our privacy practices, please contact us by email at: [info@pulsebuild.ai]. By providing your personal information to us, you agree to the collection, use, storage and disclosure of that information as described in this privacy collection notice.
